shoutouts -

my second year studio - for being willing to play along with a totally new process

my first year friends - for always visiting the office, bouncing ideas, and pushing themselves, being a source of inspiration and energy

dakota - for being a great collaborator, travel partner, drinking (pizza) confidante

gabby - for finishing her first year of grad school, traveling thousands of miles to hang out with the gang, and just for being gabby (beautiful, powerful, intelligent, a million other words)

wendy ornelas - happy retirement <3 thank you for believing in my skills, building my confidence, and also tearing it down. you read me like a book

bob condia - for letting dakota and i give our first invited lecture, for setting me on the right course, for showing me everything i know about teaching

fam - for trusting my process

marlow - excited to see you grow up
